Mr. Rose,

Thank you for the prompt reply. I was mainly needing Enclosure E (in Word format) to avoid having to retype the questions; however an electronic copy of the entire letter is much appreciated.

Regards,
Kelly

Ms. Avery,

Thank you for your email. I will begin researching the documents requested and be back to you shortly.

As clarification, do you want an electronic copy of the full March 9, 2012 letter sent electronically, or do you only want Enclosure E sent electronically?

Best Regards,
Ken

Mr. Rose,

I am a legal analyst for Chevron and have received a copy of EPA Region III correspondence, dated March 9, 2012, directed to W.J. Price in connection with the Metro Container Site in Trainer, PA ("the site"). In order for Chevron to conduct an internal records review and provide a meaningful response, could you please send me the following items at your earliest convenience.

- any and all documents that suggests Chevron sent drums to the site for reconditioning and/or Chevron's association with the site.
- an electronic copy of the aforementioned correspondence, in particular "Enclosure E-Information Required."

Thank you for your cooperation.
